

## NCCB Vision Statement

The realization of this vision is totally dependent upon our following the leading of the Holy spirit, as God leads the board of directors in the way to proceed in expanding our outreach to each other and the unsaved world. and their submission to His Sovereign will. This can be accomplished even in the hardest of times and circumstances as the enablement is not by might or by power, but by my Spirit saith the Lord

The Lord has ordained a path for the NCCB that is laid out in Scripture, Matt. 28, 19 we can all come to agreement as to direction and purpose. When, as the Holy Bible instructs us to Ask for understanding and wise hearts so that we might perceive His Will for our walk with Him and seek to direct the members of this body in the most effective means as God has supplied what is needed to get the word out. Matt. 6, Seek ye first the Kingdom of Heaven and His righteousness and all these things will be added to you. Now we know that we are to knock on the door of opportunity when God gives us the direction and instruction to advance the preaching and teaching of His word, by doing everything that we have the availability to advance the polifiration of the message that has been delivered to the body of Christ. Our Vision must never be clouded by personal gain or or individual effort, but a unified Love for God and Man that transcends the Horizontal view, but is Vertical in looking to Jesus Christ the author and finisher of our faith. This will open doors of Ministry that are unlimited in scope and give all the members of the NCCB a fuller walk with God and one another. Let us work together to have the mind of Christ.
